

## **From Enemy to Asset: Cell Phones in the Classroom**

Jennifer Lockett – Upper School History and Art History Teacher, Trinity Valley School  
Fort Worth, Texas

[lockettj@trinityvalleyschool.org](mailto:lockettj@trinityvalleyschool.org)

<http://www.IndianaJen.com> (like Indiana Jones, but Jen)

<http://www.twitter.com/JenniferLockett>

Please note: bringing and using your cell phone (basic ‘old school’ or fancy smart phone) during this session is highly encouraged

There will be a workshop component, if you would like to download in advance here are some great applications we will be using (most have iOS and Android Capabilities, Blackberry and Windows OS More limited):

DropBox (free application, free service) – download from this link for an extra 250mb:

<https://www.dropbox.com/referrals/NTEjNjkwMjY5OQ?src=global9>

Evernote (free application, limited free service) – download from the App Store or:

<http://www.evernote.com>

Mind Meister (free application, limited free service) – download from app store or:

<http://www.MindMeister.com>

Genius Scan Plus (free application with limits available, \$2.99 unlimited) – download from app store or:

<http://www.thegrizzlylabs.com/genius-scan/>
